Run by the North & Western Lancashire Chamber of Commerce, the Be Inspired Business Awards (BIBAs) is Lancashire's longest running, largest and most prestigious business awards ceremony, and are a celebration of the county's best performing companies and entrepreneurs. Our college has been on a journey to Outstanding since it's last Ofsted inspection in January 2022, where we were graded 'Good'. Based in the heart of Skelmersdale's town centre, our college, which is part of NCG, one of the largest education and training organisations in the UK, has a mission of enabling social mobility and prosperity through exceptional education, something we strive to achieve every single day.

So what makes West Lancashire College Skills Provider of the Year? We put our success down to

the combination of a fantastic team of dedicated staff who all have one shared goal; to create the very best opportunities for our students so that they have better life chances and are best placed to achieve their potential in today's competitive world. These opportunities are created via outstanding employer links, ongoing investment into facilities and continuous focus on the levelling up agenda.

Gareth Sutton, Vice Principal at the college said "We are enormously proud of our college and staff, the excellent support we provide to our students and the great opportunities we offer, and we are honoured to achieve this prestigious award which is testament to everyone who works at West Lancs.

"2024/25 has already been a fantastic year, our students have won many awards including The Lancashire Colleges Skills for Digital, NCG Skills and World Skills competitions, so winning Skills Provider of the Year at the iconic Blackpool Tower Ballroom has been the icing on the cake.

We look forward to continuing our work to offer the local community of West Lancashire the very best educational experience around."

Profile

Deborah – Hairdressing Level 2 and Level 3 Diploma

"I have always had an interest in hairdressing, and when I saw West Lancashire College were offering a level 2 adult course, I enrolled, and it is the best thing I ever did! The courses have given me the confidence to participate in competitions which I really enjoyed, learning all the technical side of hairdressing theory including the science of hair and colour correction which helps me to be creative with my hairdressing skills. The course has taken me on a new journey in my life; I now work as a Technician for Hair & Beauty department at West Lancashire College, and I have also opened my own salon. I am not going to stop learning, there is much more for me to progress to, in the future I would love to become a colour specialist and an Assessor so I can pass on the knowledge that I have gained."

**In the response to the DfE consultation Skills for jobs: implementing a new further education funding and accountability system, the College receives Education Skills Funding Agency [ESFA] adult skills fund [ASF] for us to support adult learners in non-devolved areas to gain skills which will lead them to meaningful, sustained, and relevant employment, or enable them to progress to further learning which will deliver that outcome. Within ASF, further provision for tailored learning is available that supports wider outcomes such as to improve health and wellbeing, equip parents/carers to support their child's learning, and develop stronger communities.*

Additionally, the College receives funding to provide education and training for adults aged 19 and above in the Liverpool City Region. The funding enables us to engage adults and provide the learning they need to progress into or within work, or to equip them for further learning or training. This has enabled flexible, tailored programmes of learning to be delivered, helping learners engage in learning, build confidence, and enhance their wellbeing.
